

IMMIGRATION VETTING PROJECT: Houston Mayor's Race & Council

** Agree for candidates for the Office of Mayor means they will introduce these measures for a vote of council and/or voters.*

*** Agree for council members means they will vote for such measures, ordinances, etc.*

***** DEADLINE: Oct. 3,2013**

A) Since Houston is the nation's hub for illegal human trafficking, Houstonians who are forced to pay the related costs for law enforcement and who are increasingly the victims of criminal aliens, should have the right to vote on enhancing Houston Police Department's present immigration policy, General Order,(**500-08**). The enhancements on security should include the following:

- The elimination of Mexico's Matricula Consular de Alta Seguridad as acceptable identification to verify identity and legal status
- Increased access to federal databases to ascertain identity, not limited to **just** NCIC (National Crime Information Center), but also, the LESC, (Law Enforcement Support Center) databases
- Those detained by HPD and confirmed to be illegally present in the US will be properly documented, fingerprinted, photographed and reported to the appropriate federal agencies

agree

B) According to the FBI, illegal alien street gangs such as MS-13 are arming themselves with high-powered military style weapons to potentially engage in lethal encounters with law enforcement, rival gangs and the general public. Members of MS-13 are mostly Salvadoran nationals or first generation Salvadoran-Americans, but also Hondurans, Guatemalans, Mexicans, and other Central and South American immigrants and they recruit right out of American middle and high schools. With this dangerous criminal gang operating in 42 states and the District of Columbia, related criminal activity of all kinds is increasing; therefore, a quarterly accounting of violent crimes committed by illegal aliens should be made available to the public.

agree

C) Are you willing to investigate the true usefulness of offices such as the Mayor's Office of Immigrant and Refugee Affairs or Office of International Communities and eliminate them if determined to be enabling programs for non-citizens?

agree

D) Do you think the vehicles of irresponsible drivers, those that are uninsured, unregistered or the driver does not have a license, should be impounded and held by the City until a fine is paid if the driver is found to be without proper identification or insurance coverage?

agree*

*I agree to the extent that there is not a violation of due process, ie: government taking without notice and hearing.

E) Contractors and their subs engaged by the City, if found violating the law by hiring illegal aliens rather than citizens or visa holders, should lose their city contracts and be denied the right to reapply for city contracts for 3-6 months.

agree
